## **Local School Wellness Policy Implementation Flowchart**

## The Plan

Beginning of the School Year

- Establish Wellness Committee.
- Draft Wellness Policy Implementation Plan for policies to develop during the current school year.
- Develop Wellness Policy Implemenation Plan for on-going support of Policies In Place for the current school year.
- Make Wellness Policies available to the public.

## The Process

Throughout the School Year

- Conduct Wellness
   Committee meetings at least quarterly.
- Support Wellness Policies by providing training and implementing practices, activities and events at the school and/or district level.
- Engage students, parents and community members in Wellness Policies and wellness activities.
- Recruit new Wellness Committee members as needed.

## The Results

Conclusion of the School Year

- Share wellness success stories with the public.
- Assess wellness policy implementation.
- May 15 July 1: Complete
   Wellness Impact Tool (WIT)
   with input from the
   Wellness Committee.
   Indicate Wellness Policies
   in place and determine
   Wellness Policies to
   develop for the next
   school year.
