What is the Community Eligibility Provision (CEP)?

CEP for the National School Lunch Program and School Breakfast Program provides an alternative to household applications for free and reduced price meals. Sites that elect this option agree to serve all students free lunches and breakfasts for up to four successive years. Meals are claimed based on a percentage of identified students multiplied by a factor of 1.6 to determine the percentage of free meals. If the percentage is less than 100%, the remaining percentage will be reimbursed at the paid rate. Districts with free direct certification rates between 25% and 62% may be required to pay, from sources other than federal funds, the costs of serving breakfasts and lunches that are in excess of the federal assistance received. Sites which have a 25% or greater percentage of free directly certified students are eligible for this option. Sites whose percentage is between 15% and 24.99% are potentially eligible. More information is available at <https://cnw.ksde.gov> under SNP, SNP Food Service Facts, Chapter 18.

Sponsors electing CEP for SY 2025-26 must complete the CEP Application in KN-CLAIM by June 30, 2025. For more information on CEP, make sure to attend the CEP Training on May 1 – details are below in the “Professional Development & Training” section.

Request to Use Electronic Transactions in Child Nutrition Programs

Sponsors who plan to use an online application or accept electronic signatures on any child nutrition form must complete the Request to Use Electronic Transactions in Child Nutrition Programs form available at <https://cnw.ksde.gov> under SNP, SNP Food Service Facts, Chapter 7. The Request to Use Electronic Transactions in Child Nutrition Programs form must be completed annually and returned to CNW at cnw@ksde.gov. A training can be accessed on the KSDE Training Portal at <https://learning.ksde.org>, K12 Staff, Child Nutrition & Wellness: General Classes, PY 2025-2026 Request to Use Electronic Transactions.

Kansas Online Application for Free and Reduced Price Meals

The Kansas Online Application for Free and Reduced Price Meals will be available free of charge to sponsors for the 2025-26 school year. Summer Food Service Program (SFSP) or Seamless Summer Option (SSO)

Summer meal programs are designed to fill the nutrition gap that occurs in summer and make sure children can get the nutritious meals they need. For questions about SFSP or SSO, a Summer 2025 Comparison Chart has been developed to explain options and is posted at <https://cnw.ksde.gov>, SFSP, SFSP What's New. Contact our office at 785-296-2276 or your area KSDE child nutrition consultant to discuss options for summer 2025 and determine the right fit for your Sponsorship.

Summer Food Service Program (SFSP) Outreach

All SNP Sponsors are required to conduct outreach for the Summer Food Service Program (SFSP). If your Sponsor does not have SFSP sites, consider posting a link to the site locator tool on the school website or providing the link on a flyer to send home with students. This would allow families to find a location to receive free meals at sites across Kansas. The site locator tool is available at <https://cnw.ksde.gov> under SFSP, SFSP Locate a Site Near You.

Various texting services and hunger hotlines are also available. The automated texting service that connects families to local summer meal sites is 914-342-7744. Individuals can text a question that contains a keyword such as “food” or “summer meals”. Parents and caregivers can also text the word “food” or “comida” to 304-304 to find the nearest meal sites through the No Kid Hungry Hotline. The USDA National Hunger Hotline number is also available – individuals can call 1-866-3-HUNGRY or 1-877-8-HAMBRE to speak with a representative who will find food resources such as meal sites, food banks, and other nearby social services.

Sponsors Serving Meals through Seamless Summer Option (SSO)

Sponsors that plan to operate the Seamless Summer Option (SSO) in **May and/or June** must update PY 2025 information in KN-CLAIM. The Seamless Summer Option in Summer 2025 resource will provide instructions for the required KN-CLAIM updates for SSO election. It will be posted soon at <https://cnw.ksde.gov> under SNP, SNP What’s New.
